

Hello,

I am writing this to state the wonderful service that I have received on behalf of The Landscaping Company. They maintain the landscaping on a few of my properties and I have had a very positive experience with the company. They perform excellent work and make recommendations for the enhancement of the landscaping, and their response time is amazing. I have received a call back within five minutes many times. When asked to come to every meeting to explain their proposals, they do so very willing, even though it is at 7:00 pm at night.

I would highly recommend this company The Landscaping Company.

Thank you,

Susan Tognolini
